

REACH THE REALM OF FINANCIAL FREEDOM

Many people define wealth as living stress-free and spending time with loved ones. When asked to put a number on what they consider wealthy, 1,000 people responded anywhere from \$2.73 million to \$3.69 million.¹

However, less than one percent of the world's population earns more than \$1,000,000 a year. So, how do you join the realm of the financially free?

SIGNS YOU'RE NOT MAKING ENOUGH MONEY

1. You can't handle an emergency.
2. You can't pay off your credit cards each month.
3. You feel you have to ask, "How much does this cost?" whenever you see something you really like.

BENEFITS OF BEING FINANCIALLY INDEPENDENT

1. You have more money and free time to enjoy the things you love (less stress).
2. You can buy the things you like without looking at the price tag.
3. You become less afraid to fail.

SAMPLE INCOME STRATEGIES OF WEALTHY PEOPLE

STRATEGY 1

- Maintain a day job
- **Write books, songs, plays, movie scripts**
- Produce a series of audios/CDs for your given field

STRATEGY 2

- Launch or grow a business
- **Join a network marketing company—every person in your downline is an MSI**
- Become an affiliate for products and services you believe in

STRATEGY 3

- Invest in real estate
- **Generate back end sales (i.e., referral fees – real estate agents recommend "home improvements" to their clients and receive a referral fee from the vendor to whom they refer their client)**
- Invent something
- **Create intellectual property (give your idea to someone else to take to market and receive a royalty)**
- Conduct individual or corporate consulting
